What's new onboard?

ARIYA

Meet Ariya, Valiant Lady's newest restaurant, bringing vibrant modern Indian cuisine to the heart of the ship. Rich spices, sharing plates and handcrafted cocktails make it one of the ship's most exciting new dining experiences.

NEW ENTERTAINMENT

More ways to play, from brand-new game shows and reimagined trivia to the new Check, Please! chess tournament and the high-energy Sun Society Pool Party, there's even more entertainment to keep every sea day and evening unforgettable.

GROUND'S CLUB TOO

Your favourite coffee spot now does double duty. Start the day with expertly crafted coffee before the space transforms into an intimate cocktail bar as the sun goes down.

ON THE ROCKS

Where every seat is the best seat. Better sightlines, a redesigned layout and a relocated stage create a more immersive live music experience.

THE DOCK

Golden hour just got better. One of Valiant Lady's most-loved venues has been refreshed with an enhanced performance space and an even more relaxed feel.

ATHLETIC CLUB

With refreshed lounging areas and enhanced social spaces, the Athletic Club is the perfect place to unwind, soak up the sunshine and enjoy ocean views with friends.

RETAIL ENHANCEMENTS

Shop the glow-up: Refreshed boutiques offer a more elevated shopping experience, with stylish spaces and curated finds.

THE ROUNDABOUT

The heart of the ship, refreshed. A stylish new look creates an even more inviting space to meet, mingle and explore.

THE MANOR

An expanded dance floor means bigger parties, more energy and even more room to dance the night away.
