with *Love* from BRILLIANT LADY

*Sunset cocktails, steel drumbeats,
and not a single leid in sight.*

It's time to share the adventure with your Sailors. Brilliant Lady is making her debut with bold new vibes at sea. Sailing from Miami and New York, she's charting 5- to 16-night adventures from Caribbean sunsets to Alaskan glaciers.

Onboard, everything feels fresh: Rojo by Razzle Dazzle serves Spanish-inspired tapas and sangria, the Roundabout has been reimagined into a buzzing hub of bars and live music, The Dock now comes alive with sea-view shows, and the expanded Athletic Club delivers horizon-wide views from shady lounges to glass-lined decks.

*We danced at The Manor, sipped rum
at Rojo, and ended with a midnight
cabaret that left us speechless.*
